Welcome to Morcote

A short guide to ensure a pleasant and peaceful stay

Dear Guests, welcome to **Morcote**, a charming lakeside village on Lake Ceresio, surrounded by nature and rich in history and culture.

We are delighted to have you here.

We invite you to experience the village with care and respect, helping us preserve the harmony that makes this place so special.

Peace is a precious commodity

In Morcote, tranquillity is a key part of life and collective well-being.

We kindly ask you to **avoid loud noises between 11:00 pm and 8:00 am.**

In the historic centre, sound travels easily — even raised voices or music can disturb those who are resting.

Pets

Dogs are very welcome, but **they must always be kept on a lead**. This ensures a peaceful coexistence between visitors, residents, and other animals

Please remember to pick up and dispose of dog waste correctly.

Waste disposal

Caring for the environment is a shared responsibility — for those who live here and for those who are just passing through.

- Please only use the official red bags for household waste.
- Drop waste bags into the designated **underground containers**.
- Leaving rubbish outside the containers is not allowed.
- Please follow the attached municipal guidelines for **recycling**.
- Dispose of **ice cream cups, tissues, etc.** properly.

Parking and traffic

Morcote offers several parking options for both visitors and residents.

Paying outdoor parking spaces

Garavello car park

In the **historic centre**: you may stop for **loading and unloading for up to 15 minutes**, including at night, as long as you do not obstruct traffic.

Caring for the surroundings

For a few days, Morcote is your home too.

- Enjoy the village with the same care you would show to a place you value.
- Leave public spaces as clean and tidy as you found them.
